ABOUT ALLEGHENY LAND TRUST

Vision: To be recognized as the regional leader in local land conservation and stewardship

Mission: To serve as the lead land trust conserving and stewarding lands that support the scenic, recreational and environmental well-being of communities in Allegheny County and its environs.

Allegheny Land Trust (ALT) empowers people to shape the future of their community by providing the technical skills and know-how to protect treasured local open space. ALT Conservation Areas provide the public with benefits such as stormwater management to reduce flooding, protection of our region's scenic character, and unique plant and animal habitats. The public is invited to enjoy these lands for hiking, wildlife observation and other similar passive activities.

**ALT is an equal opportunity employer and follows affirmative action policy.*
