

PARTNERS IN STEWARDSHIP

A hands-on opportunity for local companies and their employees to work side-by-side with ALT to support the health and well-being of our community

**ALLEGHENY
LAND TRUST**

Helping local people save local land

Allegheny Land Trust conserves and cares for local land for the health and well-being of current and future generations.

Since 1993, ALT has protected more than 3,400 acres of green space. We've helped to preserve our region's unique natural beauty, provide enhanced outdoor educational and recreational opportunities, protect and improve water and air quality, sustain biodiversity, and contribute to the overall health, wellness, and quality of life of our communities.

MAKE A DIFFERENCE

We are currently seeking corporate partners to help us accomplish our land management goals. We hope you'll consider becoming an ALT stewardship sponsor.

Protecting green space is only the beginning

Caring for our conservation areas requires substantial financial support and much hard work. ALT relies heavily on volunteers who generously donate their time and money to help us care for these lands.

Much of this support comes from corporate groups who donate time and funds to “adopt” a conservation area. These partnership arrangements provide ALT with much-needed stewardship support and partnering businesses with an opportunity to demonstrate their commitment to the community while providing a team-building volunteer opportunity for employees.

Partners in Stewardship Details

Your sponsorship of ALT through participation in this program will provide the critical support we need to sustainably care for one of our public conservation areas while demonstrating your commitment to the health and well-being of the greater community.

What do we ask of stewardship partners?

- Participation by a group of 5-25 employees in at least one 3-hour volunteer session
- Donation of \$3,000 toward the event and the on-going stewardship of that conservation area

What will ALT provide?

- Efficiently-run volunteer event providing employees an opportunity to feel good about giving back to their community
- Lunch, refreshments, tools, and supplies
- Sponsor's choice of a professionally conducted one-hour team-building activity, environmental education session, or in-nature social event at conclusion of the volunteer session
- Full recognition as stewardship partner in ALT communications

What tasks may be involved?

- Marking, maintaining, or building trails
- Removing invasive or nuisance plants
- Planting trees or other native vegetation
- Cleaning-up trash or debris
- Other – depending upon needs of the area or skills of the volunteers

When might the event take place?

- At a date and time mutually agreed upon by ALT and the sponsor

Where might the event take place?

- Audubon Greenway (Sewickley Heights)
- Dead Man's Hollow (Liberty & Lincoln)
- Wingfield Pines (Upper St. Clair)
- Churchill Valley Greenway (Churchill & Penn Hills)
- Girty's Woods (Reserve)
